approved Aquatic Master Plan
Public Art at Aquatics Centers
Community Participation in Artist Selection

Community members will be selected by the Park Department to participate on the panel to select an artist for each location.

If you would like to volunteer, please let us know.

Community members will be invited to provide their input to the Public Art Committee when the artist presents a design for approval.

Times and locations of artist’s presentations will be publicly announced.
Questions About Public Art or Artist Selection
