Progress to Date

- October 2015 - Aquatics Master Plan Update Approved
- December 2015 - City Council Approved Design Contract
- February 2016 – 1st Public Input Meeting for Crawford Park Regional Family Aquatic Center
- March 31, 2016 – Public Meeting to Present Design Concept

Approved Aquatic Master Plan
Public Art at Aquatics Centers
Community Participation in Artist Selection

Community members will be selected by the Park Department to participate on the panel to select an artist for each location.

**IF YOU WOULD LIKE TO VOLUNTEER, PLEASE LET US KNOW**

Community members will be invited to provide their input to the Public Art Committee when the artist presents a design for approval.

**TIMES AND LOCATIONS OF ARTIST’S PRESENTATIONS WILL BE PUBLICALLY ANNOUNCED**

N. PRAIRIE CREEK RD.
Public Meeting #1
What We Heard…

• Needs to be safe with good visibility
• Shade is important
• Should be connectable to existing trails and
• Needs lighting and fencing
• Preserve existing trees
• Be considerate of pricing
• Bus stop within one mile
• Provide programming and features for children, families, and seniors

Note: Predominant comments supported new recreational features with minimal required lap lanes
